

Congratulations to the Class of 2001

It is with tremendous pride that we join together as a community at Melbourne Girls Grammar to congratulate the Class of 2001 on their truly outstanding VCE results. All students have achieved the VCE with 11 obtaining an ENTER of 99 or higher. Almost half of the class of 2001 achieved an ENTER above 90. These results have set outstanding records for our school and we are thrilled for the girls.

Throughout their school days and most particularly during their final year, these girls have contributed richly to the academic life of the School, along with contributing to, and leadership in, the wider programme. From drama and sport to music and social service, these girls will be remembered as strong, positive contributors whilst each accepting responsibility for her own personal progress. We are now pleased to celebrate with them the culmination of their academic studies at Melbourne Girls Grammar and announce proudly their results which, as an open entry school, illustrate the commitment of the students and the very high professionalism of the teaching staff.

These results are a tribute to the students of the Class of 2001 and we extend our commendations to them, wishing them lifelong health and happiness on the journey ahead.

Congratulations to our TOP SCORER...

The school warmly congratulates our highest achiever for 2001, Mary Qian who achieved an ENTER score of 99.95. Mary came to Melbourne Girls Grammar in Year 7 and in her time here she has participated in many co-curricular activities. This year she was Captain of the A Grade Debating Team and served on the Magazine Committee. She was winner of the Phelia Grimwade Memorial Prize for Science and the MGGG Academic Award for Specialist Mathematics and was the winner of the 2001 Monash Prize for Academic Excellence. She now hopes to study Medicine at Melbourne University in 2002.
