

# Congratulations to the Class of 2005

## Women of Tomorrow

Dear Class of 2005,

Finally you have your VCE results and your ENTER scores. I hope you feel a sense of pride in that this represents your personal best. At the School the staff and I are reading of your results with enormous interest and pride. But today as we gather together as a staff we reflect upon much more than today's exciting news of your results with so many fine achievements in the academic sphere. We are reflecting also on ten perfect scores across different studies and therefore the breadth of excellence at the School.

We are reflecting on the many contributions you have made to the life of the School, as leaders engaging the student body in School and House spirit and in a myriad of social service activities. By example always you have led as musicians, sportswomen, debaters, artists, actors, writers and much more.

We commend you on wonderful VCE scores that will, we hope, open the right doors for you into the next chapter of your lives and which will bring a glow of glory, not only to each of you individually and to you as the Class of 2005, but also to the entire school community.

Christine Briggs, Principal

### Highlights include...

**+ 10 perfect study scores (50) were achieved in the following subjects:**
