GARDEN
HISTORY

The Victorian Branch of the Society is establishing a fund to commemorate Nina Crone. We wish to honour her contribution to the Society through her editorship of *Australian Garden History* and as a member of the National Management Committee and for her active involvement with the Victorian Branch.

The fund will be used to promote undergraduate scholarship in the areas of garden history, historic landscapes and horticulture in keeping with Nina's commitment to education and her love of history, plants and gardens.

We welcome your donations to this very special fund.
