

Route changes

Highlights

Route 6 will be extended from Melbourne University to Moreland. There is a tram every 8 minutes or better during peak times on weekdays and no more than 20 minutes at all other times.

Route 58 will be introduced to replace **Route 8** and **Route 55**, running from Toorak to West Coburg. There is a tram every 10 minutes or better from 7am to 7pm on weekdays and no more than 20 minutes at all other times.

Route 8 customers can change at Domain Interchange to travel to St Kilda Rd and Swanston St.

Customers can catch the same tram all the way from Toorak Rd to William St at the western end of the CBD.

Toorak customers can now connect to Flinders St Station at stop 1 Flinders Street or Flagstaff Station at stop 7 La Trobe Street.

Low floor trams will be introduced on Route 58 to the Parkville hospital precinct and Melbourne Zoo.
